

# CENTURY GROUP

Professional Search & Project Consulting

---

**David Liebman**  
**Associate Director**

David began his career in executive search in 2002 and joined Century Group in 2003. David worked for a Fortune 500 technology firm and was rapidly promoted into sales management. David went on to hold positions with Fortune Global 500 companies and, prior to his career in executive search, was Vice President of Business Development at a firm specializing in outsourced consulting services. David has completed searches in energy, defense, financial services, manufacturing, and technology industries at the Controller, CFO and Management levels. He holds a Bachelor's degree with a dual concentration in Business Administration and Management.
